Dear Brother,

I write in haste, with 2 objects in view: (1st.) to ascertain if expected share in Bank, for Brown, if Stock seller, has not been able to secure one in Shawmut, for none has been sold since I was in Boston: & not improbably he will procure a share in Merchants bank. I left with Palmer 10 dolls. additional; ie 80 in all, about enough to pay for a share in Shawmut. Should Brown get one in Merchants, 21 a 22 dolls. more will be necessary to pay for it. If so, as 1st of Oct. time of dividends is to near; I think you had better get 20 dolls, or so, of some friend, & pay him with interest from dividend; if it will make less trouble of forwarding money back & forth. The certificate of share, if one is got, you can bring with you, when you come to meet of Board; or send it by letter, afterwards.

(2d) I last week wrote in great haste & sent by a friend to Editors of "Recorder" & "Recorder", a notice of ensuing annual meeting of our Co. Foreign Miss. Soc.; which is to be on tuesday after meeting of new Board, 20th of Sept. On reflection, I fear I wrote it wrong, ie 20th of Oct. As you are in city of Stw, & probably near offices of those papers, will you not call, (& see that mistake, if there be one is corrected. As our C. paper is now given up, we in C. have to depend on religious papers of Bos. & N.Y. I am reluctant to tax your kindness so heavily, without opportunities to reciprocate your favors. On next leaf is a form of notice I will. Best regard for your dear wife & mother. I shall hope to see you next week at meeting of Board.

Yrs. fraternally, G. J. Tillotson.
